

Frictionless Presoak Concentrate

Formula 534 WONDER PLUS

DESCRIPTION: Our premium liquid presoak for frictionless washing. Cleaning is accomplished through a well balanced blend of foam, alkalinity, and solvent.

ADVANTAGES:

Wonder Plus gently penetrates and loosens difficult to remove road film, oils, and heavy soils without harming vehicle surface.

Non-corrosive, leaves no film residue. Will not dull or streak finish.

Pleasantly scented.

Free rinsing.

Biodegradable.

Excellent for use as presoak and prep solution in tunnel washes.

DIRECTIONS:

For best results, starting dilution should utilize a yellow HydroMinder tip, 90:1 (pH approximately 11). Best cleaning occurs when temperature of solution is approximately 120°F.

A Warsaw Chemical Titration Kit is recommended to determine accurate strength of solution.

SPECIFICATIONS:

Physical Form	Liquid
Color	Blue
Scent	Sassafras
Density	9.23 lbs. per gallon
Biodegradable	Yes
Foam Test	Foam initial 103 mm
pH 2%	12.5
Freezing Point	35°F
Solvent	Butyl
Active Alkalinity	4.24

SHIPPING WEIGHT IN POUNDS:

55 gallon Plastic Drum	542.70 pounds
30 gallon Plastic Drum	293.90 pounds
15 gallon Plastic Drum	145.50 pounds
5 gallon Plastic Tighthead	49.00 pounds
