SUPER HARD SHELL FINISH

WATERMELON SCENT

DESCRIPTION

Introducing the NEW Super Hard Shell Finish, the next generation surface sealant and protectant with ceramics. Incorporation of ceramic particles enhances glossy look, provides a durable and long-lasting sealant power. Ceramics magnify the hydrophobic effect of the drying agent and helps shed water from the vehicle surface rapidly. Offer this product as an "a la carte" item or upsell customers to the top wash package.

FEATURES

- Longer-lasting & durable protection
- Utilizes Ceramic Technology to enhance paint finish
- Helps protect and seal the vehicle surface against UV damage
- Enhances hydrophobic effect of the drying agent
- Watermelon scent

APPLICATION

- Tunnel & rollover
- APPROXIMATE USAGE: 13-30 ML/ APPLICATION*
- Use proportioner tips (i.e. HydroMinder,

Dema, etc.) in conjunction with downstream injection (i.e. Dema, venturi, etc.) to achieve final use dilution

- Apply product with rain or curtain foaming applicator
